

Safeguarding at Oval

It is a school's statutory duty to have an appointed Designated Safeguarding Lead (DSL). This is a 'named person' within the school that is responsible for the safeguarding of the children who attend the school.

At Ark Oval our Designated Safeguarding Lead is Miss Bramson and Mrs Whitehurst is our Deputy Designated Safeguarding Lead.

The key aspects of their role involve making sure that staff are aware of their responsibilities around safeguarding, monitoring children as required and referring any concerns the school may have to social care. The school has its own Safeguarding Policy which sets out all their roles and responsibilities in more detail which is available on the school website.

Another aspect of their role at Ark Oval is to provide parents and children with pastoral and welfare support when families may be experiencing difficulties. They are supported in this by Anthony Powell our School and Family Keyworker.

If you are concerned about any aspect of your child's home or school life and would like to talk these through with a member of staff please do not hesitate to make an appointment to see us by emailing k.bramson@arkovalprimary.org

Dear Parents and Carers,

Year 4 Wild Science Visit

Year 4 had some surprise visitors last week when they came face to face with a domesticated rat and other mammals. The organisation Wild Science brought the rat, named Pinky, to visit the children because Year 4 are studying the book "I was a Rat", by Philip Pullman, in which a rat wakes up one day as a boy.

An expert from Wild Science also showed the children a hedgehog, a rabbit, a gerbil and a guinea pig, and explained their different habitats and how they are classified, to link in with this term's Year 4 science topic.
