

From Mrs Silke

Dear Parents/Carers,

The new building was handed over to us later than planned on 4th January, but we still managed to move the office into the new building and also get the dinner hall up and running, thanks to our incredibly efficient and hard-working school business manager and the premises team. The children are really enjoying eating their meals in the fabulous new dining space where we have invested in new furniture to create a more 'family dining' experience.

Year 5 and 6 children will move into their lovely new classrooms next week.

New Entrance from Cherry Orchard Road

Please note that from Monday, the new main entrance will be the only way to access the school from Cherry Orchard Road, as the

existing, narrow pathway will be closed. This is to allow for the construction of the multi-use games area, which will be a wonderful additional resource for our children and the community. If your child arrives late, after the doors have closed at 8.30, you will need to take them to the school office, by the main entrance. Please note there is no longer an office facility in the old building.

Home Learning

The children have really enjoyed sharing their home learning projects in class and have also done so in our celebration assemblies today. They had clearly worked really hard on their projects as you can see below:

Thank you so much to all parents and carers for encouraging and supporting your children with their projects. It was very difficult to choose just three for the newsletter as they were all so brilliant.

Our SPIRIT value of the week last week was:

Integrity

The following children demonstrated this value this week and each received a certificate in assembly.
