

From Mrs Silke

Dear Parents and Carers,

We have had a busy couple of weeks with your children working hard in all their lessons, so their work can be proudly displayed throughout the school.

Scientists in Reception and Nursery.

Reception children have been learning the life cycles in Science.

Nursery children have been learning about growth.

Playground first aid procedures.

We now have 15 staff, trained in first aid and there are always several of them on the playground at all playtimes. Staff on duty, wear high visibility orange vests, so that children can find an adult quickly if necessary.

The school currently calls parents to inform them of any minor injury their child has suffered. We are now reviewing this, so that in future phone calls home will be made for any injury to the head area. Other mishaps will be recorded on the first aid slips and handed to you at the end of the school day.

Spirit Value Focus for this week: Thankfulness

Green dojos and spirit awards will be given this week to children who show that "We are thankful for the opportunity to transform our dreams into goals."

Examples of how thankfulness can be demonstrated are as follows:

We are thankful for our rich and diverse school community and show this by valuing everyone regardless of race, gender, faith, or ability.

We take time to show appreciation through events, celebrations, rewards and praise.

We are thankful for support and seek opinions of others.

We listen and respond to advice to help us achieve our goals.

Hope you all had a great weekend.

With best wishes

Ali Silke

Principal

Our SPIRIT value from 6th March – 10th March was
Perseverance

The following children demonstrated this value that week and each received a certificate in assembly.

Swansea	Ramzi Hagos
Warwick	Haritha Muthukumar
Bath	Feliks Pawlowskis
Manchester	Hasmat Hahemi
York	Kaiser Kassam
