

From Mrs Silke

Dear Parents/Carers,

I would like to wish our Islamic parents and children Eid Mubarak, and I hope you had an enjoyable weekend celebrating, at this special time. Our thoughts and prayers, are with those affected by the recent attack on worshippers at Finsbury Park Mosque.

Principal's Tea Party

The Principal's tea parties are held twice a term, to celebrate those children, who consistently demonstrate good behaviour choices, or have made significant improvements in their behaviour choices. Two children joined me from each class, last week, and they all impressed me with their lovely manners, saying please and thank you, eating with their mouths closed and speaking politely to each other. I asked them what they thought made Oval a good school and these are some of their comments:

"Teachers give 100% effort for all the children"

"If you have any problems, you can count on all school staff to help you, as well as the lovely children"

"Teachers are always kind and gentle."

"Every teacher and every little pupil are good"

When asked what would make Oval a better school, these were their suggestions:

- A swimming pool
- Climbing wall

- Obstacle course in the playground
- More shaded seating areas

Neighbourhood Complaints about inconsiderate parking

Unfortunately, we have had a number of complaints from residents, regarding illegal parking, by Oval Parents in parking bays at numbers 95,97 and 99 Cherry Orchard Road. I quote from the latest complaint "Residents are sick and tired of having to wait for people to get out of their bays, and being verbally abused. It is high time something is done. Having sought advice from Croydon, residents are being advised to take photos of the offending vehicles and email them to the local authority. Thank you, in advance, for refraining from parking in these bays.

Your cooperation is greatly appreciated. A separate letter about Sports Day timings on 19th July will be coming out this week.

Best wishes

Ali Silke
