

From Mrs Silke

Dear Parents and Carers,

Your children continue to work and play hard, as we approach the end of term, with reports being finalised, Sports Day to look forward to, and not least the Year 6 Graduation and leavers disco.

Thanks to Redrow Morello Team!

Year 2 had a great trip to the Redrow Morello site, which involved examining a scale model of the site, donning hard hats and Hi Vis vests for a site tour, and a look around a show flat. The children had a great time and really enjoyed the drinks and biscuits too. They especially loved seeing Mr Tierney go up to the top (rather nerve rackingly) of the giant crane. Well done Mr Tierney for being so brave!

Wonder if you can spot our budding Architects, Quantity Surveyors or maybe a Project Manager or two?

Huge thanks to the Redrow Morello team and the parent volunteers for making this trip possible for our Year 2 children.

Looking Forward to Next Year.

I would just like to give you the heads up on a few things that we are planning to do in the new academic year.

Parent Handbooks will be given out at the end of the first week back, on Friday 15th September. This will contain all of the essential information you need to know for the coming year.

Meet the teacher events will be held after drop off during week commencing 25th September, specific details to follow. This will give you a chance to meet your child's teacher, but also a chance for them to give you an overview of the year ahead.

SATs meetings parents of Year 2 and Year 6 children will be as follows:

Year 6 Weds 20th September 2017 at 8:30am and 2:30pm

Year 2 Monday 25th September 2017 at 8:30am and 2:30pm

**Secondary Transfer Meeting for Year 4, 5 and 6
Wednesday 20th September 8:30 am**

This will provide parents with important information regarding your child's future education at Secondary school. We are inviting Year 4, 5 and 6 parents as it is always wise to start considering the options before your child is in year 6.

Parent Workshops will be held during the Autumn Term on the following areas of learning (Dates to be advised).

- Phonics for Nursery, Reception and Year 1
- Mathematics in Early Years and KS1
- Mathematics in KS2
- Get Spelling for Year 2 to Year 6

Parent Consultations will be held, after the December assessments are completed, on Tues 9th and Thurs 11th January between 4pm and 6pm.

I am pleased to say that we are fully staffed for September and I will be writing to you all next week to let you know who will be teaching your child next year.

Best Wishes

Ali
