

From **Mrs Silke** and **Miss Patel**

Dear Parents/Carers,

Today being the 11<sup>th</sup> November, marks an  important event observed by people in the UK and Commonwealth countries. The nation will come together to remember the members of the armed forces, who died in the line of duty, during World War I. At Ark Oval Primary, children have been learning about Remembrance Day in assemblies. Mrs Silke spoke to children about the significance of the poppy and why we remember those who lost their lives in the 'Great War'. Children, like the rest of the country, observed the 1 minute silence 'at the 11<sup>th</sup> hour of the 11<sup>th</sup> day of the 11<sup>th</sup> month' today.

Year 6 have been learning about World War 2 and to enhance their learning, they attended a memorial service on Katherine Street in Croydon. Here the community came together to lay a wreath and observe a 2 minute silence to remember the soldiers who gave their lives for the country.

Parent evenings have been moved to January so that we can report on the progress of your child's entire autumn term. A progress report will be sent as usual in December 2016.

## Our Oval Maths Geniuses!

A very big well done to our Year 5 mathematicians: Aurora, Howard, Jiya and Pranesh for taking part in the maths challenge which took place this Monday at the Old Palace of John Whitgift School. These children took part in several mathematical challenges and worked as a team splendidly! They proudly represented the academy and were awarded second place in one of the two groups! Very well done!

## Year 5/6 Girls' football team shows great sportsmanship

On a rainy day on Wednesday 8<sup>th</sup> November, the year 5 and 6 girls team played as a team for the first time at an inter school tournament. 4 Croydon schools were represented in this local tournament and the team played proudly in the academy red kit. Miss Patel and I, who accompanied the group cheered on from the side line and watched the team improve in every match with formations and passing the ball. The girls were defeated on this occasion but showed great sportsmanship persevering right to the end. What particularly impressed me was the reflection that took place following the matches- the team suggesting that they have more practice with their coach, so that they could improve their skills!

### Mr Kember

It was a real pleasure this morning to share the beautiful home learning projects in assembly this morning. We could see the effort put in by all

children, who spoke so eloquently about their projects and how much they enjoyed doing them. This home learning could not take place without the support from our parents. Thank you for your support as well!

### Miss Patel and Mrs Silke

Having just completed my first full week, I have to tell you how much I am enjoying being Principal at Ark Oval. Thanks for coming to say hello in the playground, it's been lovely meeting you all. Hope you all have a lovely weekend with your families.

Kind wishes,

Alison Silke
