House Points

Every child and teacher belongs to a House.

Throughout the day children will be rewarded House Points for effort, learning, having a positive attitude and demonstrating our values.

The teacher will collect these on the Houses' Point Collection displays.

Each week the House Points will be added together to find out which house is in 1st, 2nd and 3rd place.

At the end of each half term the points will be added up and the House with the greatest number of points will have a special treat.
